

# HOW YOU CAN SPEND A DAY WITH STEVE MARTIN

**MAY 10th, Saturday**

**9:00 AM – 5:00 PM**

**Fairlington Presbyterian Church**

**3846 King St**

**ALEXANDRIA, VA**

## ★★ BEHAVIOR TRAINING ★★

Steve Martin is one of the best-known animal trainers in the world, starting with his first bird show at the San Diego Wild Animal Park in 1976 up to his current programs at Natural Encounters, Inc (NEI). NEI is responsible for extensive animal training at zoos, as well as the World of Birds Show at many parks and fairs. Steve and his expert animal trainers have made an enormous difference for many animals, not just birds, all around the world.

Many of us have trained under Steve at his Companion Parrot Workshops in Florida, and hopefully many more of you will go in the future. **PLEASE** come to this event. You will go home feeling inspired and empowered to recognize your parrot's natural behaviors, and you will learn to communicate more clearly and appropriately!
